

Your employee is interested in learning new skills with AMA. Beyond helping you both achieve your goals, here's why that's an excellent idea.

AMA Seminars offer your employee:

- **Extensive practice in a supportive environment.** You really can't learn new skills from an app. You need to experience it, practice it, and get personal attention to the details that make a difference. There is simply no substitute for learning by doing.
- **Feedback from experts.** Our instructors are not professors—they are practitioners in the field, focused on what works now in the real world. Participants agree instructors make a difference and have rated our faculty 4.83 out of 5 stars. What's more, your employee will be learning alongside peers from other organizations gaining insight and knowledge from other industries and expanding their professional network.
- **Tools and techniques designed to improve performance.** Our courses are instructionally designed to make a difference in performance, which is why 99% of participants report they are using what they learned back on the job after taking one of our courses.
- **An Experience.** Yes, we know two or three days seems like a lot. But dedicating that time to truly master new skills is worth the time and money. And we're not just saying that--our customers agree: 98% of participants would come back for another course.

Still feel like you can't spare your employee for a training session?

Either way, remember that we don't lecture—we accelerate performance.

Achieving Leadership Success Through People

Lead more effectively by creating rapport, synergy and two-way trust.

The most successful leaders are those with the best people skills, especially during the most difficult circumstances. Poor communication and interpersonal relationships routinely thwart leaders who are otherwise technically competent. In order to succeed, leaders must be fully engaged with the individuals who make up their organization. Focusing skill-by-skill on P.E.O.P.L.E. (Professionalism, Empathy, Optimism, Partnering, Loyalty and Empowering) this seminar can help anyone in a position of leadership to better demonstrate caring as well as courage, and to use a P.E.O.P.L.E. approach to achieve maximum results.
