

AMA'S INSURANCE AND RISK MANAGEMENT WORKSHOP

An effective insurance and risk management program gives your company the security to pursue its goals without fear of unexpected setbacks.

Seminar #1290

Overview

Are your insurance costs too high? Master all the insurance and risk management facts, strategies and how-to techniques you need to gain full, confident control of your program! In just two days, you'll get a complete insurance and risk management education—everything you must know about coverage, cost, liability limits, retention and broker services/compensation! Be sure to bring your company policy—and your questions—for discussion!

Schedule

Registering more than 4 people, please call 1-877-566-9441.

How You Will Benefit

- Develop a practical risk management plan that aligns with corporate strategy
- Assess the positives and negatives of your current insurance program
- Determine if state-of-the-art alternative risk-financing tools are right for your company
- Learn how to select, compensate and manage brokers/agents—and choose an insurance company or TPA
- Discover how America's largest companies reduce cost and improve coverage without competitive bidding
- Benchmark your own coverage specifications against the actual policy wordings of Fortune 500 companies
- Spend your company's premium dollars most effectively

What You Will Cover

- Why risk management and insurance are crucial
- Financial overview of the insurance industry
- Principles of risk management
- The role of the broker/agent
- Selecting an insurance company/TPA
- Property insurance
- Casualty insurance coverages
- Executive and professional coverages
- Specialty coverages
- Alternative risk financing

Who Should Attend

Non-insurance executives and professionals responsible for their firm's insurance and risk management programs, including CEOs, CFOs, VPs of finance, controllers and treasurers. Legal, administrative or HR executives...new members of insurance or risk management teams... corporate planners and attorneys...outside agents, brokers and consultants.
