

Transform Capability into Competitive Advantage

CHROs today are charged with preparing their organizations for profound shifts—from AI implementation and leadership succession to talent mobility and culture reinvention. AMA partners with you to deliver scalable, results-driven learning experiences that directly support your workforce strategy.

AMA ACCELERATES YOUR PEOPLE DEVELOPMENT STRATEGY BY:

- ▶ Building leadership pipelines aligned with succession and growth priorities
- ▶ Fostering organizational agility and a culture equipped to lead through disruption
- ▶ Equipping your workforce for future skills, closing gaps before they become barriers
- ▶ Improving retention and engagement of critical talent across all levels
- ▶ Advancing inclusive, resilient cultures that fuel innovation and performance

Start transforming your talent.

3 POWERFUL WAYS TO BRING AMA TO YOUR ORGANIZATION

1

READY-TO-DELIVER PROGRAMS

Instructor-led, high-impact training delivered at your location or virtually. Designed for all professional levels—providing immediate results and proven to enhance effectiveness.

2

CUSTOM LEARNING

Tailor programs to fit your unique needs or collaborate to create entirely new content. With flexible timing, modalities and customized content, we align learning with your culture, values and business objectives.

3

SCALABLE CONTENT LICENSING

Turnkey training solutions with everything you need to deliver high-quality learning experiences across your organization, whether through your trainers or ours.
